Health Benefits of Tai Chi and QiGong

QiGong is a breathing exercise, Tai Chi is a moving QiGong, therefore it is a moving breathing exercise.

QiGong is by far the most appealing of all modalities to kill stress because it achieves 3 very important steps.

- Synchronizing your mind, your body and your breathing.

When all 3 are aligned you get your body into it has optimal state of flow- and this is where your natural healing abilities being to kick in.

In theory, Tai Chi directly affects Chi - the "vital energy" or "life force" of the body - where proper flow of Chi is said to be necessary to maintain health. During Tai Chi, this energy flows through the body through a network of a number of body pathways (meridians from acupuncture). When these pathways are blocked, Chi does not flow properly, and in

theory, illness ensues. Tai Chi is thought to stimulate this flow of Chi through the body and organs through its movements and breathing can be seen as acupuncture from the inside. The only difference is, acupuncture use needles to get his/her body meridians through or unblocked, uses your own Chi to get your meridians through.

Tai Chi & Qigong help in China and around the world. These methods have been proven and continue to be proven to achieve harmony balance of body, mind and spirit. Can help to reduce

stress, tension, pain, poor sleep, high blood pressure, diabetes type II and more.

Tai chi and QiGong are a safe exercise system for people of all ages and fitness levels.

Testimonials - Highly Recommended - Binet Homes

When my husband and I were looking to knock down and rebuild our home we spoke to a lot of builders. We also followed up and looked at some previous work by those builders including their display homes.

We were very impressed by the services offered by Binet Homes. They provided timely quotes, great initial designs and some great advice. Once the project started, everything ran really well. We were consulted along the way about how things were progressing - its so nice to know what stage we

were up. The quality of workmanship was excellent and so was the care and attention to detail.

We moved into our new home on time and within budget - we were so pleased with that as we had heard some real horror stories from our friends. Moving in on time meant so much as it was very close to Christmas and we were entertaining our family in our new home! Thanks to Binet Homes our Christmas was wonderful and so many of our friends commented on the high standard of finishes and the quality of our new home.

Joint Statement - Regional Strategic Alliance

Blue Mountains, Hawkesbury and Penrith City Councils are taking the next step to explore a new strategic alliance which aims to support regional cooperation and strengthen the long term future of each council.

None of the three Councils have been targeted for amalgamation under the NSW Government's 'Fit for the Future' reform package, but each Council is required to demonstrate that it has the scale and capacity to be financially sustainable and can

deliver efficient and effective services in the long term.

The Councils have agreed to explore the benefits of regional cooperation and a process to assess the findings of this investigation. If there is a regional cooperation model that emerges from the formation of the alliance, it will be subject to community consultation.

The objective of Hawkesbury, Blue Mountains and Penrith City Councils is to retain their local identity and independence, while collaborating more closely for the benefit of all our communities.

Have Your Say on what Council does Public Exhibition of Draft Operational Plan 2015/2016 – until 1 June 2015

If you want to have your say about what Council does and how it spends its money, as well details of future plans for rates, roads and the many other services Council provides, you need to see Council's Draft Operational Plan 2015/2016 which is currently on public exhibition until Monday, 1 June 2015.

The Plan is now available for view and for comment at Council's new community engagement website,

Your Hawkesbury – Your Say <http://yourhawkesbury-yoursay.com.au>. The project name is 'Draft Operational Plan 2015/2016'. The 'Your Say' site can also be reached from Council's homepage www.hawkesbury.nsw.gov.au. The Operational Plan can also be viewed in hard copy at Council's Administration Offices at 366 George Street, Windsor.

This is the first time the Draft Operational Plan has been put onto the Your Hawkesbury – Your Say site to make it even easier for residents to communicate more easily and swiftly with Council.

Hawkesbury Mayor, Councillor Kim Ford said "We know that people want what's best for our community, and Council wants to hear their views," Councillor Ford said.

"Your Hawkesbury – Your Say is an easy way to do it, because you can go to the website at anytime from anywhere, so it's convenient and accessible.

"It's also a legitimate way to have your comments taken into account as part of the Draft Operational Plan consultation process."

"We want to ensure that everyone has the chance to comment before the closing date on 1 June 2015 and we want to hear what people would like for the future of the Hawkesbury. I urge everyone to get online and tell us so we can help make a difference and take the whole

community's needs into account," he added.

The Draft Operational Plan 2015/2016 identifies the proposed projects, programs and activities to be undertaken during 2015/2016. It also includes information about rates, fees and charges, estimated income and expenditure and the capital works program for 2015/2016.

Written submissions regarding the Draft Operational Plan may also be made any time during the exhibition period and can be mailed to Hawkesbury City Council, PO Box 146, WINDSOR NSW 2756, faxed to (02) 4587 7740 or emailed to council@hawkesbury.nsw.gov.au. The Draft Operational Plan 2015/2016 page on Your Hawkesbury – Your Say has an online submission form. You must register on the site to participate.

If you have any enquiries regarding the Draft Operational Plan 2015/2016, please contact Hawkesbury City Council's Customer Service Department on (02) 4560-4444.

****** IMPORTANT INFORMATION REGARDING ATO SCAM ******

Today, police from the Barwon Local Area Command have received several reports of people receiving telephone calls from a person purporting to be a Debt Collector operating on behalf of the Australian Taxation Office (ATO). The caller has been described as male with a strong accent stating his name is "Peter". Messages have been left on victims' answering machines stating they have an outstanding tax return or debt totalling a large sum of money, and that they need to contact the caller immediately as the matter has been passed onto police, and to avoid further action they are required to settle the debt. A return number has then been provided.

Police are informing members of the public that this is a scam. Please do not give out any personal information or make contact. The ATO do not make unsolicited phone calls.

Police are urging persons receiving these calls to make contact with your local police station to report the incident. We remind people they should not report crime information via our Facebook and Twitter pages.

TEBBUTT OBSERVATORY, WINDSOR

by Trevor Patrick

John Tebbutt [1834-1916] grew up in Windsor and became one of Australia's notable astronomers. He was always interested in mechanical objects and built a collection of instruments that enabled him to make many important observations of the southern sky. Windsor had the advantage of clear skies free from smoke of the large number of wood and coal fires used to heat homes in Sydney.

Tebbutt calculated the total eclipse of the sun on 26 March 1857, measured the position of comet Donati (1858VI) and plotted its orbit.

On 13 May 1861, Tebbutt observed a faint object in his telescope, noted its motion over a number of days and discovered the Great Comet of 1861 (1861 II) which brought his name to the attention of the scientific world. The comet Encke appeared the following year and was observed on seven of its return orbits around the sun during Tebbutt's

Tebbutt Observatory, Windsor

lifetime. The debris of this comet creates a meteor shower as Earth passes through the tail around the middle of November every year.

Tebbutt won a silver medal at the 1867 Paris Universal Exhibition. In 1872 he bought a 4 inch equatorial refractor telescope with which he observed the transit of Venus in 1874. This rare event was previously observed by Captain James

Cook and Joseph Banks in 1769 which led to the discovery of the eastern coast of New South Wales. Tebbutt discovered another comet in 1881 and in 1886 he bought an 8 inch telescope made by the internationally renowned makers, Grubb of England.

In 1895 he was the first president of the New South Wales branch of the British Astronomical Association. He was also president of the Windsor branch of the British and Foreign Bible Society and in 1877 asked Sir Henry Parkes for leniency towards settlers in paying their government land dues. He was awarded the Hannah Jackson gift and bronze medal of the Royal Astronomical Society, London, in 1905.

You will find the many treasures of the Hills in the award-winning book *"In Search of the Pennant Hills"* only \$50 postage paid. Write P.O. Box 176 Kenthurst 2156. Trevor Patrick is a local historian and author.

Redesign My Brain With Todd Sampson: Help Me Adapt Thursday, 28 May 2015 - 8:30pm Series Return

In 2013, Todd Sampson put brain training to the test in the groundbreaking series Redesign My Brain. This unique, transformative and interactive experience ended up as one of the most watched Australian science documentaries of all time and won the 2014 AACTA Award for Documentary of the Year.

Todd now continues this incredible journey in Redesign My Brain 2, this time to prove that the brain can be trained to meet the challenges and stresses of modern life. Across three dynamic episodes, Todd undergoes scientifically endorsed brain training to prepare for his ultimate challenge – a unique high wire walk across two skyscrapers in Sydney.

He's on a crash course to learn nine new mental skills using brain science as his foundation. He enhances his mental endurance, flexibility, and learns how to manage pain. He sharpens his senses – vision, hearing and touch; He manages fear, learns how to make better decisions, and discovers the benefits of mindfulness meditation to reduce stress.

Along the way, Todd is challenged to climb a 150 meter high rock face blindfolded; compete in a safe-cracking competition; and manage his fear to the point where he can step onto a three centimeter wire 21 stories above central Sydney. Todd's brain performance is regularly mapped and tested to measure the changes, and the results are revealed using state-of-the-art CGI graphics.

But the mental skills Todd needed to develop for his death defying skywalk challenge are applicable to all of us. It's an inspirational and unforgettable story that has something in it for everyone.

In episode one, Todd uses the latest science to train his brain to become more adaptable. To prove it's possible, he'll risk his life by rock climbing blindfolded up a rock-face in Utah's Moab Desert.

To achieve the climb he needs to work on building mental endurance, flexibility, fluid intelligence and pain management skills. Todd heads to the Australian Institute of Sport to work on mental endurance with his old mentor Professor David Martin, Senior Sports Physiologist. Next he learns how to become more adaptable from Olympic bi-athlete Lucy Glanville.

He then catches up with his arch nemesis from series one, Professor David Cropley, to work on his fluid intelligence – using logic and problem solving to deal with unforeseen challenges. For pain management, he's taught the 'acceptance training' technique by leading pain researcher Dr Tor Wager in Boulder, Colorado.

ABC 2 Tattoo Tales Wednesday, 20 May 2015 - 9:30pm Final

Fixed rig cameras capture the day-to-day antics and artistry inside a busy tattoo studio on Sydney's Bondi Beach. This series reveals unique, entertaining and often poignant insights into why so many Australians get inked.

For the final episode there is an extraordinary mix of celebrities, characters, courage, confrontation and classic Josh moments. Australian pop singer, and former winner of 'The X Factor', Reece Mastin has had many of his tattoos done at the studio. Unfortunately all the artists who have worked on him have since been sacked. Dennis is booked to do Reece's ink and is understandably nervous. Julie, the Deputy Director of the Newcastle Museum, likes to curate the story of her life on her body. Today she's getting a big statement - a mermaid in the middle of a storm drawn on her upper thigh.

Cerebral palsy sufferer, 24-year-old Sandy has been told she will soon be confined to a wheelchair. She's having a tattoo of her constant companion - her little dog Emi, which gives her a purpose and reason to keep fighting.

Young mother of two Laura is also getting a tattoo in appreciation of her family. She has survived three heart operations and had her babies against all odds.

Another client who celebrates life is happy go lucky Matt. He's an irrepressible man who loves his ocean inspired ink. While he may be too 'happy' for Josh, the two of them bond when social media trolls attack Matt's new tattoo on Instagram.

A disgruntled client comes in to confront John and Josh demanding his money back for what he thinks is a disappointing tattoo. Josh tries to mediate, but fails.

Defeating the Hackers Monday, 25 May at 9.40pm Premiere

This documentary goes behind the scenes of the exciting, fast paced world of frontline cryptography to meet the experts working at the very frontiers of science, battling to keep our secrets safe.

Data is precious - and cybercriminals want it. Hackers are stealing our money and spying on our secrets. Cyber-vandals are destroying our digital lives. Even governments are eavesdropping. Defending us from our cyber enemies is a diverse group of elite scientists. They are experts in extreme physics, maths and ultra-paranoid computing, harnessing the weirdest forces in the universe to forge unbreakable codes and ultra-fast computers.

This program investigates how they're using simple maths to keep our bank details safe, planting passwords in our unconscious brains, and harnessing the most bizarre physics we know of to build a whole new kind of computer - all to try and stay one step ahead of the hackers.

Garage sale raises over \$20,000 for Vanuatu relief

Wesley Uniting Church Castle Hill's bi-annual garage sale has raised nearly \$21,000 to assist the relief effort and rebuilding of the lives and livelihood of the people of Vanuatu in the wake of the destruction caused by Tropical Cyclone Pam during March 2015.

Wesley Castle Hill has partnered with Paama Seaside Presbyterian Church in Port Vila over a number of years supporting the work the church's school and providing scholarships to students and teachers. A number of visits have been undertaken by groups from Wesley providing practical support to the Vanuatu congregation. Allocation of the \$21,000 will be made in consultation with the Uniting Church's national agency, Uniting World, the Presbyterian Church of Vanuatu and the congregation at Paama Seaside, to ensure the people of Vanuatu most impacted by the cyclone receive the required support.

In addition to the sizeable donation, the long established Vanuatu committee at Wesley has planned a number of fundraising events. On Saturday 13 June a concert will be held at the church featuring local singers Christina Kinley and David Sanders (members at Wesley) along with Radhika Sukumar-White, a student minister from the United Theological College. MC will be Gareth McCray OAM. To purchase tickets (\$25 a head including supper) contact the Wesley Church office on 9894 8999.

Additionally, a trivia night was held recently and two "Macca's Nights" are planned for Tuesdays 19 May and 23 June at McDonald's Castle Hill (Showground Road) where 20% of all in-store (no drive thru) sales will be donated by the store. Proceeds from the trivia night, concert and the Macca's Nights will go specifically to the Paama Seaside church and school. Specific allocation of the garage sale proceeds will be made following a visit to Vila by 9 members from Wesley between 27 June and 6 July.

News From Wisemans Ferry Community Men's Shed Inc

The big wet has come to an end and it is anticipated that we will finally be able to hold some market stalls for the Men's Shed at Wisemans Ferry on the long weekend in June. The first of these will be on Saturday the 6th June at the Sunshine Club, 5550 Old Northern Road, Wisemans Ferry. The second will be in the grounds of Wisemans Ferry Bowling Club on Monday the 8th June. There will be a variety of goods for sale such as various serving platters, bread boards, picnic tables, various stools, shoe

removers, shoe racks, blackboards, timber frames, planter boxes, wine racks etc. It will be a busy weekend but certainly worth a visit. So come on down to Wisemans Ferry and meet some of the team from the Men's Shed and pick up that special something at a bargain price.

The rain certainly hasn't dampened the spirits of the shedders and it is inspiring to see the enthusiasm and enjoyment of the members each week as they go about creating their various projects. There is laughter and good banter a plenty, had by all. Each member brings something special to the shed and it is a privilege to see the various strengths and values each have to contribute.

We are still in communication with Hornsby council and have had a visit from one of the councillors to inspect the site at the Bowling Club and give his advice on building our shed there. It was a positive meeting and we are in the process of preparing and submitting a DA to council. We certainly appreciate the support we have had from the Bowling Club in this matter. The Bendigo Bank at Galston have also been very supportive of us.

Fund raising is crucial to operating the Men's Shed and we will be applying for various grants to help us out. We are still in need of donations of new paints, decking oils, screws and nails for our projects as well as paint brushes, sand papers etc. If you can help out with any of these items, please give Adrian a call on 0448 833781, they would be very much appreciated. We also are more than happy to accept any machines or tools, in good working order, that you may no longer have any use for.

New members are always welcome, so if you think you would like to give the Men's Shed a go, call Adrian on 0448 833781 or pop down to see us at 2811 River Road, Wisemans Ferry. You can enjoy a cuppa and a chat and stay as little or as long as you like. You need to wear closed in shoes and bring a hat and a drink. There is also a BBQ lunch available for a few gold coins each week and this covers your tea and coffee as well. We operate each Tuesday between 9.30am and 3.30pm. We look forward to seeing you there.

Gail will also show records held at the State Archives which show the role of the State Government in NSW during the Great War and the records which give an insight into life in NSW during the war years.

Gail will be looking at the contributions made by NSW Public Servants who went to war, those who didn't return, and those who survived the war and what happened to them afterwards. Gail will talk about the records which can be found to document their lives created by the Departments and Agencies for which they worked.

Heritage Walks in The Hills

The Hills Shire, with settlement beginning in 1794, has a rich history of farming and agriculture and boasts a wealth of places that provide a link to the past.

Jennifer Farrer from Boronia Tours will guide you through some of the most beautiful, historical walks in The Hills. Using photos from her guided bushwalks, Jennifer will explore the history behind sites such as Rifle Range Road, the quarry site for stone for Lake Parramatta, Thomas Atkins' house, Aboriginal sites in Bidjigal Reserve, along with the historical sites along the Heritage Trail in Baukham Hills.

1.00pm - 2.00pm

Hills History Day at the Castle Hill Library

Hills History Day is just around the corner and Castle Hill Library has a range of informative talks on events from our Shire's past.

Frankie & Johnny in the Claire De Lune
June 5 to June 27
Wednesday, Friday and Saturday:
8.15 pm Sunday: 4.30 pm

Frankie is a waitress and Johnny is a short-order cook who works in the same restaurant. And they are in bed together.

It is their first encounter, after having met several weeks ago on the job, and Frankie is hopeful that Johnny will now put on his clothes and depart, so she can return to her usual routine of watching TV and eating ice cream. But Johnny, a compulsive talker (and romantic), has other ideas.

Talks will run from 10.30am until 4pm on Friday May 22, with discussions on The Great War, Heritage Walks in The Hills and The Battle of Vinegar Hill.

Tickets cost \$5 and bookings are essential. See ad above for further details.

He is convinced that he loves Frankie, a notion that she, at first, considers to be ridiculous. She has had more disappointments than delights in life, and he is the veteran of one broken marriage already.

As moonlight streams into Frankie's Manhattan apartment, their sometimes touching, sometimes hilarious interplay hints at a relationship beyond a "one-night stand".

But will it last once the sun comes up?

This play contains nudity and sexual content.

Bookings 9634 2929 or Theatre 9634 3846.

THROUGH STATE MP'S EYES by David Elliott, Member for Baulkham Hills

CHILD SEX OFFENDERS FACE LIFE IN GAOL

Child sex offenders face the prospect of life in jail under tough new laws to be introduced into Parliament last week.

The NSW Government will deliver on this key election commitment by introducing legislation to increase the maximum sentence for sexual intercourse with a child under 10, from 25 years to life imprisonment.

The tough new laws are designed to protect child victims, and ensure offenders are brought to justice.

Children deserve to live their lives free from abuse and harm. Child sex offenders threaten that right and we want to send a message in the strongest possible terms.

In line with the Committee's recommendations, the NSW Government will add an additional 13 child sexual assault offences to the Standard Non-Parole Period Scheme, which provides the judiciary with guidance on sentencing. The new standard non-parole periods will be significantly higher than the current average sentences for those offences.

Additionally, the NSW Government will provide victims of child sexual assault with further support by piloting:

- specialist judges to hear child sexual assault cases across the state;
- qualified experts, known as Children's Champions, who will support child witnesses through the court process; and
- pre-recording cross examination evidence of child witnesses to keep them out of the courtroom environment.

Victims who speak out show great courage and are entitled to compassion and justice. I hope these reforms will give victims the confidence to come forward.

WELL DONE TO HILLS POLICE EFFORTS IN COMBATING ICE

I welcome the efforts of Hills Police, led by Superintendent Rob Critchlow, in fighting a recent Ice epidemic.

The efforts by Hills Police demonstrate the need to remain vigilant against drug dealers at all times.

The addictiveness and potency of Ice ranks it alongside heroin as a drug which destroys families and people's lives.

Only by remaining alert as a community can we flush out those who seek to grow wealthy off the misery of others.

With the arrest rate more than doubling in 2014, it is clear the problem of Ice is increasing.

However, the increase in arrests also demonstrates the tireless efforts of our Police in pursuing these criminals, and I cannot commend The Hills LAC highly enough on their efforts.

I am pleased the National Ice Strategy is also being pushed by the Federal Member, Alex Hawke, and I would urge all Hills residents to remain aware of the possibility of Ice dealers being present in our neighbourhoods.

The earlier we catch dealers the more lives we can save.

KNOW AN OUTSTANDING NURSE OR MIDWIFE?

You can now nominate outstanding local nurses and midwives for the 2015 Excellence in Nursing and Midwifery Awards.

The awards are a great way to recognise the hard work and dedication of the state's nurses and midwives.

The awards shine the light on the work that largely goes unnoticed in our local hospitals and health facilities every day.

As the frontline heroes in our hospitals, our nurses and midwives deserve recognition for their humility and passion for their work.

If you work with, have been cared for or know of an exceptional nurse or midwife, please nominate them - they deserve to be recognised for what they do for our community.

The third annual Excellence in Nursing and Midwifery Awards will be presented in the following categories:

- Judith Meppem Lifetime Achievement Award
- Excellence in Nursing - Registered Nurse
- Excellence in Midwifery
- Excellence in Nursing - Enrolled Nurse
- Excellence in Nursing/Midwifery - Assistant in Nursing / Assistant in Midwifery
- Excellence in Leadership

- Excellence in Aboriginal and Torres Strait Islander Health Care
- Excellence in Innovation in Education
- Excellence in Innovation in Research
- Excellence in Nursing/Midwifery - Graduate (recognising Registered Nurses, Registered Midwives and Enrolled Nurses who completed their first year of practice in 2014)
- Consumer Appreciation Award

Nominations open today and close on June 10. To nominate, go to: <http://www.nursingmidwiferyawards.health.nsw.gov.au>

IT'S A GIRL!

Congratulations to the Duke and Duchess of Cambridge on the occasion of the birth of the latest addition to the Royal Family, Charlotte Elizabeth Diana.

The birth of a child is always a joyous occasion, and I am delighted at the arrival of a healthy, bouncing baby girl.

I join with people from across the Commonwealth in offering my congratulations to William and Katherine on their new arrival.

I have a congratulatory card available in my Baulkham Hills Electorate Office for signing by constituents until the Queen's Birthday long weekend, and I encourage Hills residents to drop by and offer their best wishes.

Following the Queen's Birthday long weekend, I will send the card on behalf of Hills residents to the Duke and Duchess of Cambridge at Kensington Palace.

Found dumped at a house is how this gorgeous kitten and her two siblings came into DCH care. Pretty little fuzzy wuzzy Panini, well what a delightful girl she is! Sweet, cuddly and affectionate, Panini would be an added treasure to have in any household. Panini is only 6 weeks old at the moment so she can't go to her forever home before she is at least 8 weeks and over 1 kilo. She gets on well with the other cats and also the dogs in her carers household. Panini will be microchipped, vaccinated, desexed, wormed, and flea treated and all happy and healthy for her adoption fee.

The name of this column is "Memories" and for that we need to remember the past. Whilst it is still some months away, around the world November 11 is known as "Remembrance Day". Here in Australia we have more to remember on that particular day. For instance it is also the anniversary of the hanging of Ned Kelly in Melbourne. Another anniversary on that day is that of the dismissal of the Whitlam Labor Government in Australia on the 11th November 1975 and that leads me into my subject for this edition of the magazine.

Like him or loath him, there is no doubt that Gough Whitlam was a giant in Australian politics and my role in his political career came at the very end. My occupation at the time was that of Returning Officer for the seat of Werriwa (Gough Whitlam's electorate). Like many, when the Governor-General dismissed Gough Whitlam as Prime Minister and appointed Malcolm Fraser in his place I was as stunned as the next person.

My wife and I had booked to go to Melbourne for the Melbourne Cup, just for the experience and we still went but upon my return it was nose to grindstone to prepare for the forthcoming election. Just about everywhere in the country, there was a large swing away from the Labor Party to the Liberal Party at the election. Now my office is strictly non-partisan as it should be, but members of the public would sometimes get confused and think that the office was a branch of whatever party was in power at the time. I recall one dear old lady telephoning the office one Election night almost in tears saying that "Gough is gone. What can we do?". I also recall receiving a call from my boss, the Australian Electoral Officer for New South Wales questioning the results at Werriwa that were going to the tally room. They had decided not post them up as they felt they could have been wrong. I explained that results that had been phoned through to the Tally Room were in order of receipt and this is the way results are usually sent to the National Tally Room. The early results for Werriwa were from the smaller and usually more conservative polling places at the Army Camps at Holsworthy, Ingleburn and Moorebank. This was where the Liberal vote was also much higher than that for Labor. The larger polling places at Cabramatta, Liverpool Town Hall, Green Valley etc. were still to come in and naturally the votes at those areas could well differ to the early results. This was in fact the case and whilst there was a swing away from Labor to the Liberals, Gough Whitlam easily retained the seat. Due to the loss of government, Gough Whitlam decided to eventually resign from politics but before he announced his retirement, he telephoned me personally and told me of his decision and asked about the timing of the announcement and subsequent by-election. Keeping in mind the use of

schools and the use of school staff during any election I advised him that I would prefer avoidance of a by-election being held during school holidays or thereabouts would be beneficial to the management of the election.

We would need access to schools for delivery of ballot boxes and voting screens. We needed to liaise regarding keys, security alarms, cleaning etc. If schools were on holiday then how could we contact them regarding these matters? Many experienced polling officials were also staff members at schools and that often schools would request that their staff be used as they had access to various facilities at the schools. They would be available on site to unlock and lock the toilet blocks etc. I mentioned that these staff may be away during holiday periods.

Gough Whitlam was able to see what was required and told me that he would be recommending to the Speaker of the House of Representatives, the person who sets a date for a by-election, a date which would not clash with school holidays, which he subsequently did.

The by-election for Werriwa was set for and conducted on the 23rd September 1978, resulting in the election of John Kerin as the member. I found that John Kerin was also a fine representative for the area and got on well with him during my time at Werriwa. But then I have found many of the politicians of both sides of politics that I have had dealings with to be good people. I may not, as a private individual, always agree with their policies, but I respect the time that they have put into representing the members of the community in Parliament, whether in Government or Opposition. As a Returning Officer I always treated all candidates for office equally.

I am no longer involved in Federal or State elections, but my wife and I now own and operate a business that specialises in conducting elections for registered clubs and credit unions and have done so for eighteen years. We have kept our hand in so to speak with elections on a different level. My

workplace is no longer in one office, I move around the State. One week I maybe on the Central Coast, the next I could be in the Central West or perhaps in the Tweed area or the Shoalhaven district. I enjoy the travel and seeing different parts of the country and meeting people.

Feel free to share your memories by writing to PO Box 1278, Baulkham Hills, NSW 1755 or email to metropoll@optusnet.com.au. You can also share memories on any of my facebook memories groups including Hills District Memories which you will find here <https://www.facebook.com/groups/Hills.memories/>

Remember the days when you had to go to specific tables at the polling booth depending on your surname to vote. Gough Whitlam having his named marked from the Electoral Roll.

Aussie Pumps

SEE YOU AT CIVENEX

With the huge infrastructure spend of the NSW government and the booming economy in the state, CivEnex is tipped to be a huge success this year. Australian Pump launched their Civil Contractor Club at CivEnex four years ago. It was a huge breakthrough in providing specialised products and services to earthmoving contractors and the construction industry.

"CivEnex at Sydney's Dragway Eastern Creek, runs from 20th-21st May and gives us a great opportunity to display our wares" said Aussie Pumps' Bruce Hulm. "Our Civil Contractor Club keeps growing as earthmoving plant operators hear about the advantages of membership" he said.

The Aussie Pumps Civil Contractor Club not only updates members on advances in equipment design technology but also provides service training, OH & S awareness programmes and Australia's biggest range of construction industry pumps and pressure cleaners.

"Being in the Club is like having a friend in the business" said Hulm. "We specialise in understanding the applications and for that matter, the trials and tribulations of plant operators working in tough conditions and needing tough gear to back them up" he said.

"Joining the Club is easy and free for anyone who owns or operates earthmoving plant. Members can sign up at the show or you can call for the free document pack," he said.

For further information on the Aussie Civil Contractor club call

Bruce Hulm on 02 8865 3500 or come and meet us at CivEnex, site 332A.

WISEMANS FERRY GROCER & CAFÉ

This time 12 months ago we were nervously opening our doors for the very first time, hoping that our community would embrace the new and improved store and of course YOU did!

I won't lie, it's been an exhausting and at times overwhelming year, but with the support and encouragement of my family, friends and fabulous team, I now love "playing shop".

If you haven't already been in to visit or are new to town, feel free to come in and say hi. We offer you top quality "Toby's Estate" coffee, along with a selection of yummy homemade pies, sausage rolls and my favourite - spinach & ricotta rolls. Freshly made sandwiches and wraps are provided daily, along with a great range of cakes and slices. Lately we've seen the introduction of a small Gluten Free section along with a broader range of "take home" homemade meals. Don't miss out on our "Hot Chooks" roasted daily and don't forget to call ahead to order your platters or chickens to make party planning so much easier.

Our seasonal fruit and vegetables are fresh and our meat section provides you with butcher quality produce. We stock a vast array of dry/frozen and refrigerated grocery items, along with current and popular magazines and newspapers. For your convenience we have 5 kilo bags of ice, an ATM and stock Tobacco.

We are open 7 days a week from 5.30am until 7.00pm; however our café usually closes at 5.00pm.

From the beginning my goal was to provide a warm and friendly place for locals and tourists alike to pop in for a hot cuppa, chat and an overall, "value for money" local shopping experience. From your feedback, interest and ongoing support, I'm excited to say that I'm living my dream and for that THANK YOU!

Why advertise in the local TV guide?

- Over 10,000 magazines are picked up by local consumers by choice from stands in local shopping centres, clubs and petrol stations.
- The TV guide is eagerly sought after and in high demand with our pick up rate constantly exceeding 99%.
- A full page ad costs less than printing 10,000 flyers and distribution is free. Rather than being seen as junk mail, it is picked up to be viewed daily.
- As a TV Guide, your ad will be seen again and again over the 16 day period over which the magazine is designed to be kept.
- Value for money, our display advertisements cost less than half of the average cost of other local publications which are viewed once only.
- Local readers support the local advertisers and appreciate and support a local free TV guide.

To enquire or place an ad please email advertise@hillstohawkesbury.com.au for further details or call Belisa Papandrea on 0487 111 868 or the office 1300 616 614
